

# ADOPT A GRANNY

MEET CLARA.  
WON'T YOU CONSIDER  
"ADOPTING" HER?

A severe drought in western Nicaragua has brought new hardships to elders, particularly to those living in hogares and in rural areas because of food shortages. Will you consider giving to elders who are facing hunger and poverty? Join with JFR in "adopting a granny." A one time contribution or a monthly gift will go a very long way toward helping these elders live their lives fully and without despair.

- \$25 feeds an elder for 1 month; \$300 for a year
- \$250 will feed all 10 elders living alone in San Juan Dos for a month; \$3,000 for a year
- \$480 will feed 40 elders living in the Jintope hogar that we helped to build for 1 month; \$5,760 will feed them for a year
